

## Configuring **UH** Exchange Mail for iOS 10/11/12

1. Tap **Settings** > scroll down to **Passwords & Accounts** > **Add Account** > Exchange

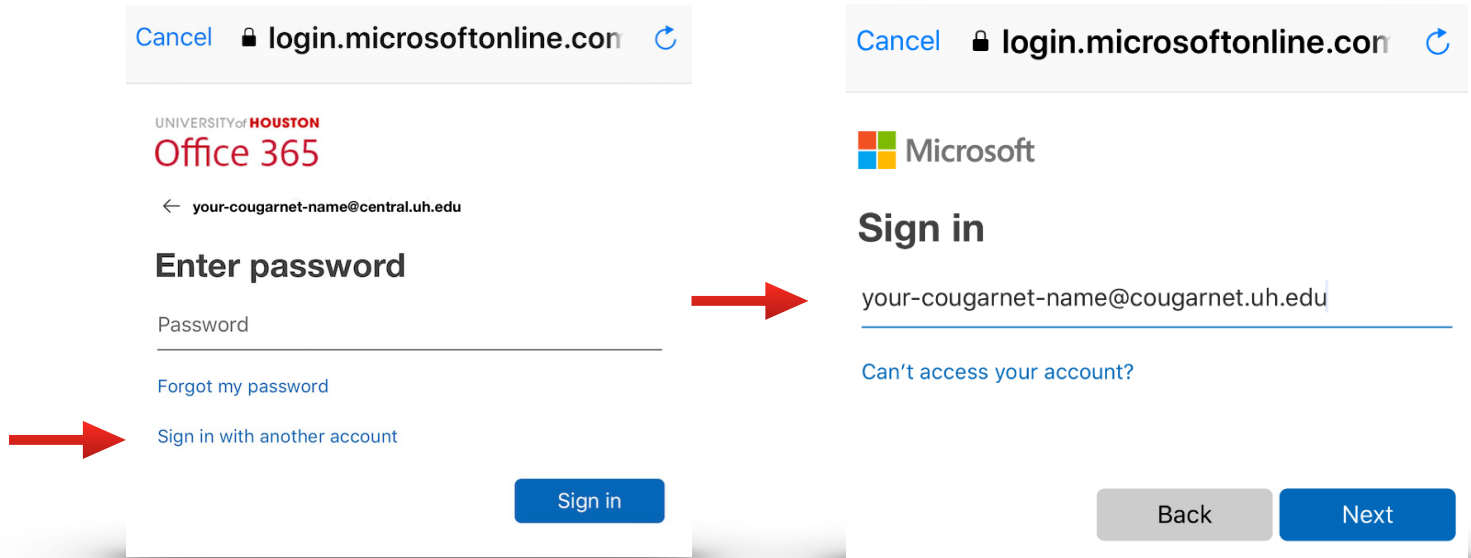

*note: in iOS 10/11 : located under **Settings** > **Accounts & Passwords***

2. **Sign in** using your **Central UH** email as seen in example below > Tap **Next** on the top right of the screen, then tap **Sign In**. You will be redirected to Microsoft website to complete signing in.

3. Now select **Sign In With Another Account**, as seen in example below, and sign in using **CougarNet Email Address** > Select **Next** to complete signing in.

4. Select **Save** as seen below and press **Home Button** to return to home screen. Congratulations! Your mail account is set up and ready to use.
