

# Configuring **UH** Exchange Mail For macOS (Mojave and Catalina)

1. Click the **Finder Icon** > Select **Applications** > Double Click the **Mail** Application

2. Select **Exchange** > Select **Continue** > **Sign in** using your "**Central UH**" login info as seen in example below, then select **Sign In**

**\* Note:** If you have an existing account, select "**Mail**" at top left corner of screen next to the **Apple** then select "**Add Account**".

3. You may get a pop-up that asks you "**Sign in to your exchange using Microsoft?**" Select "**Sign In**"

4. You will be redirected to UH Office 365 page to continue signing in to your account. Select "Sign in with another account" as seen in example below. Enter your "**CougarNetID@cougarnet.uh.edu**", and select "**Next**". Make sure mail is selected and select "Done". Congratulations! your mail account is now set up. Launch mail App to begin using Exchange on your Mac.
