

Configuring UH Exchange Mail for iOS 13 (iPhone/iPad)

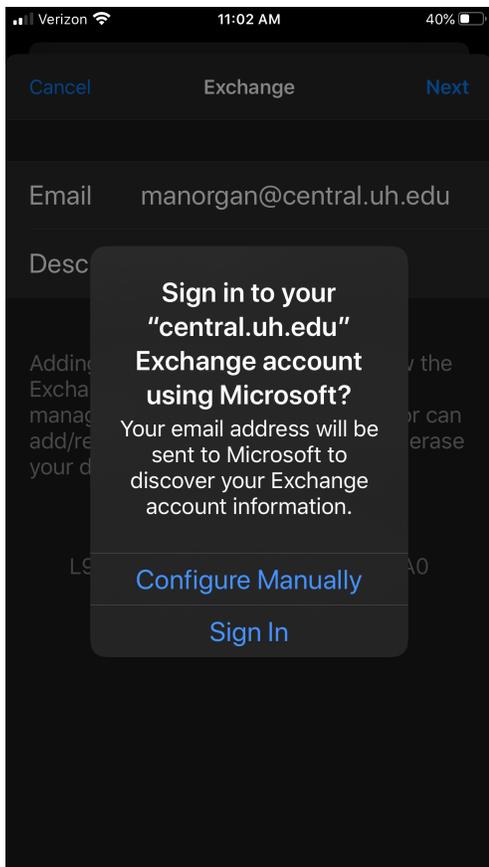

1. Tap **Settings** > scroll down to **Passwords & Accounts** > **Add Account** > **Microsoft Exchange**.

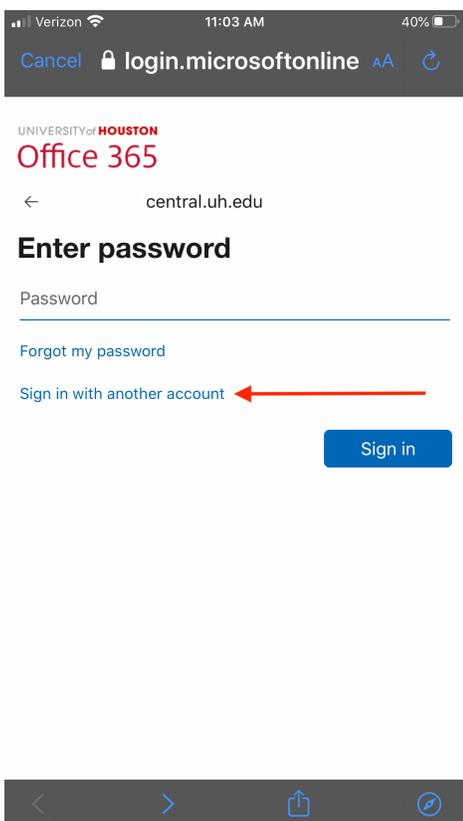

2. Sign in using your **“Central UH”** email as seen in example below > Tap **“Next”** on the top right side of the screen.

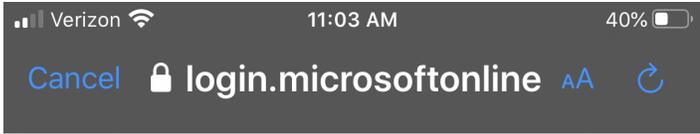

3. Select **“Sign In”** as seen in example below.

4. Select **“Sign In With Another Account”** as seen below.

5. Enter your CougarNetID@cougarnet.uh.edu > Click "Next"

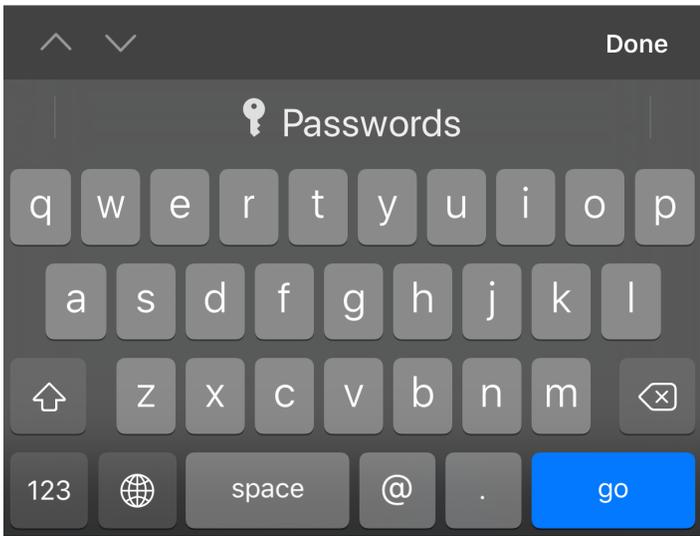

Sign in

CougarNetID@cougarnet.uh.edu

[Sign-in options](#)

Support: www.uh.edu/infotech Phone: 713-743-1411 | Email: support@uh.edu

6. Enter your password (**same as Central**) and select **"Sign In"**

Support: www.uh.edu/infotech Phone: 713-743-1411 | Email: support@uh.edu

7. The UH Exchange account is now added to your device. Make sure mail is green, then **“Save”** at the top right corner to complete the setup.

Congratulations! You have successfully added your UH Exchange on your device.

Return to home screen and launch the Mail App to begin using your **UH Exchange** account.
