Configuring UH Exchange Mail for iOS (iPhone/iPad)

1.   **Open the Settings app.**
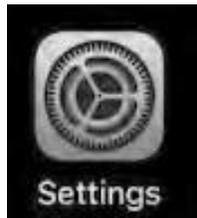

2.   **Scroll down to and select > Mail.**
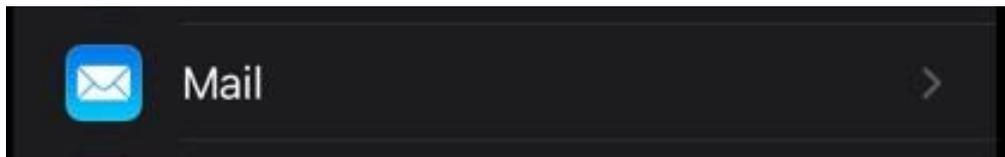

3.   **Select > Accounts.**

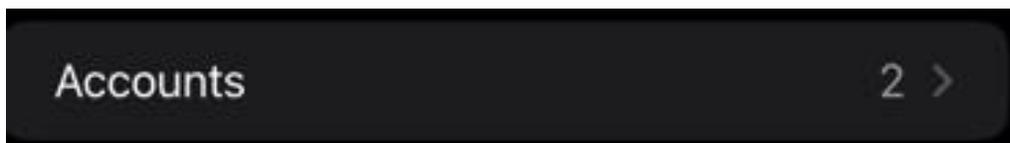

4.   **Select > Add Account.**
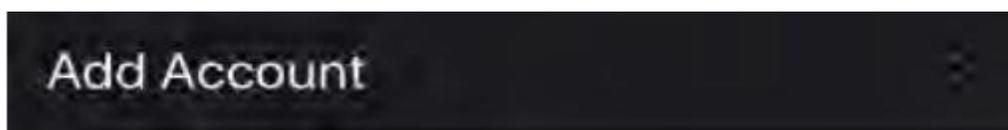

5.   **Select > Microsoft Exchange.**
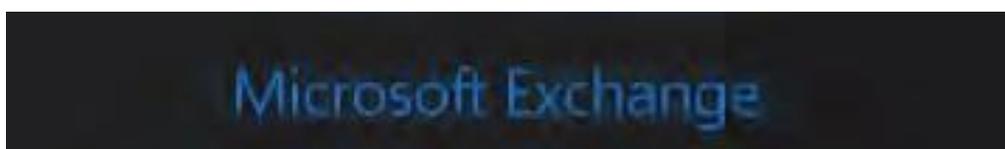

6. **Sign in using your "CougarNet" email as seen in example below > Tap "Next" on the top right side of the screen.**

Support: www.uh/edu/infotech Phone: 713-743-1411 | Email: uit-support@uh.edu
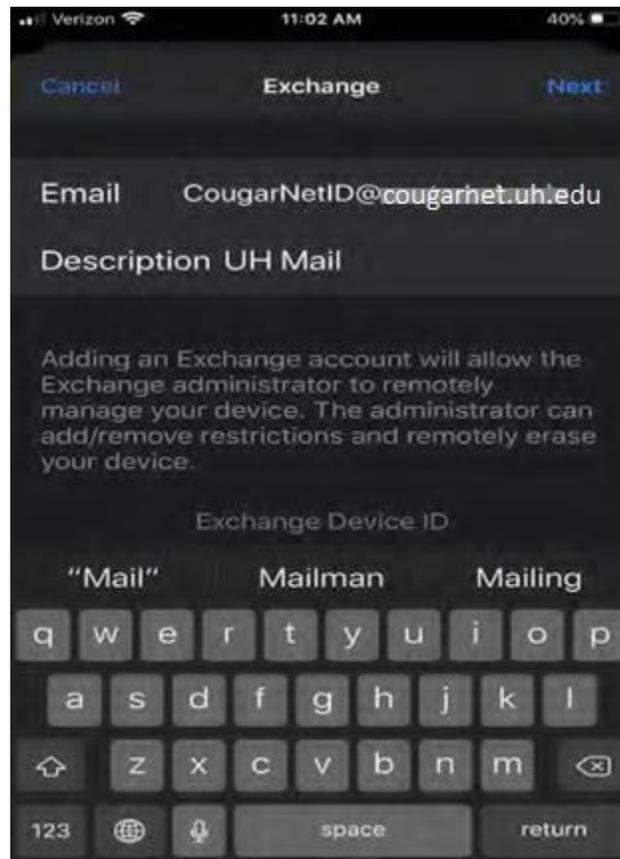

7. **Select Sign In as seen in example below.**

Support: www.uh/edu/infotech Phone: 713-743-1411 | Email: uit-support@uh.edu
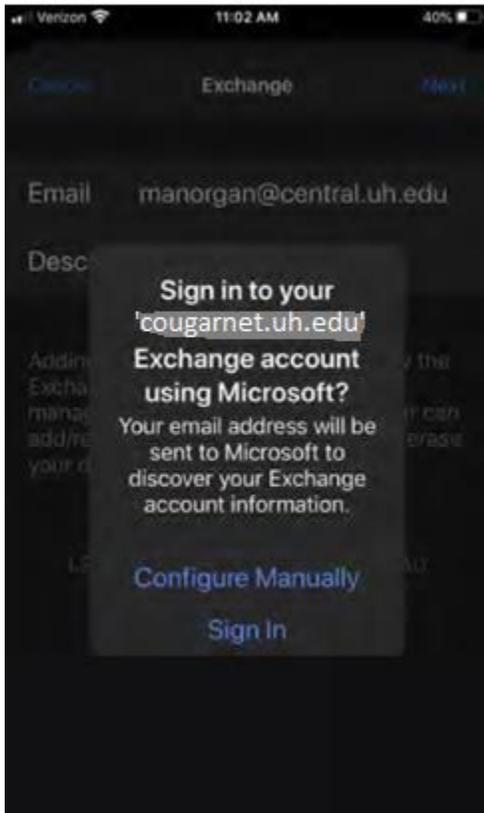

8.   **Enter your password (same as CougarNet) and select > Sign In.**
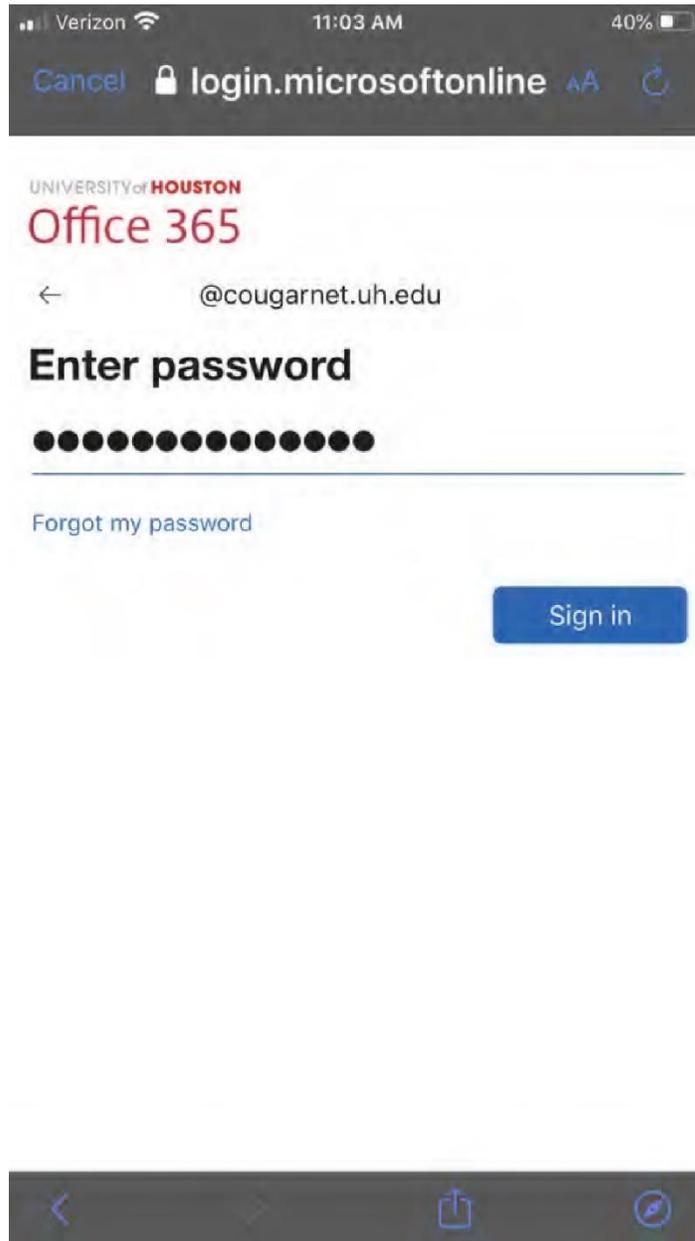

9. **The UH Exchange account is now added to your device. Make sure mail is green, then "Save" at the top right corner to complete the setup. Congratulations! You have successfully added your UH Exchange on your device. Return to home screen and launch the Mail App to begin using your UH Exchange account.**
