

Configuring UH Exchange for Mac Mail

Click the + and choose Exchange from Mac Mail accounts menu.

Enter your email (ex: jcougar@central.uh.edu) in the 'Email Address' box and your CougarNet password.

A screenshot of the Exchange account setup screen. The 'Exchange' logo is at the top. Below it, the text 'To get started, fill out the following information:' is displayed. There are three input fields: 'Name' with the value 'J Cougar', 'Email Address' with the value 'jcougar@central.uh.edu', and 'Password' with masked characters. At the bottom, there are three buttons: 'Cancel', 'Back', and 'Sign In' (highlighted in blue).

Attempt to sign in. It will fail and request a username. Enter your CougarNet ID followed by @cougarnet.uh.edu (ex: CougarNetID@cougarnet.uh.edu) as the username and sign in.

A screenshot of the Exchange account setup screen after a failed sign-in attempt. The 'Exchange' logo is at the top. Below it, the text 'To get started, fill out the following information:' is displayed. There are four input fields: 'Name' with the value 'J Cougar', 'Email Address' with the value 'jcougar@central.uh.edu', 'User Name' with the value 'CougarNetID@cougarnet.uh.edu', and 'Password' with masked characters. At the bottom, there are three buttons: 'Cancel', 'Back', and 'Sign In' (highlighted in blue). A red error message 'Unable to verify account name or password.' is displayed above the buttons.
